Subject: **CEs Available for Expert to Expert eCQM Annual Update Webinars**

Register now to attend the following Expert to Expert webinars offered in collaboration by Joint Commission, Centers for Medicare & Medicaid Services, and eCQM stewards. These free, publicly available webinars offer CE credit for the live broadcasts. The eCQM annual update webinars provide an overview of the featured eCQM(s) and highlight changes for 2026 implementation. The new measure review webinars address new eCQMs for 2026 implementation and provide a review of measure intent and specifications, including the initial patient population, denominator, exclusions, numerator, data elements, and logic. During each webinar, frequently asked questions will be addressed, and the audience can submit questions for response during a Q&A segment. Slides, Recordings, and Transcripts will be available here following each webinar: <https://www.jointcommission.org/en-us/knowledge-library/support-center/measurement/quality-measurement-webinars-videos>, scroll down, and use the checkbox to sort for Expert to Expert webinars.

Registration is now open for these 7 webinars offered March - May:
